You want to experience Middle Earth in all its splendor? Duel with wizards and let vampires bite you without fearing the consequences?  
**Seems impossible? It's not!**

Once a year there is a place in Germany where every wish of Fantasy-fans comes true – and it doesn't matter which fandom they belong to!

Ring\*Con, taking place in the Maritim Hotel Bonn, unites The Lord of the Rings, Game of Thrones, The Hunger Games, Legend of the Seeker, True Blood, and lots of other Fantasy fandoms in one event. There is something for everyone – whether you like Hobbits, Hogwarts-Students or Vampires!  
It's a meeting of like-minded – but not only! Fans "from the others side" can be met and it can often be watched that a certain understanding and approaching between the different fandoms happens.

Fantasy in general doesn't come short at Ring\*Con! Themes that don't fit a certain book, movie or series are also being handled. Lectures about mystical creatures, fantastic incidents – these are the things that make a big and important part of Ring\*Con! Things made by fans for fans. And it's more than that. A lot of workshops impart knowledge in Elf-Songs, sword fights, brewing of potions, Make-Up for Vampires – there are no limits to the imagination, everything is possible!  
In the evening, there is a lot of action as well – especially the big theme ball. You finally want to wear your big dress gown? No problem? Costume or ball gown – at this ball, everything is allowed!

**Another highlight: The star guests!**

We are trying to find the perfect mixture every year to make all of you happy and cover every fandom! In the last ten years we were able to welcome John Rhys-Davies, Billy Boyd, John Noble, Sean Astin, Tom Felton, James und Oliver Phelps, Kyle Schmid, Sam Trammell, Alex Meraz, Edi Gathegi, Daniel Cudmore, Charlie Bewley, BooBoo Stewart and numerous other amazing actors! And we are still working on raising our level!

Whether you are visiting the Q&A-Sessions, the autograph or photo sessions – it's easy to get in touch with the actors and experience them really closely! That's what makes it so attractive to visit Ring\*Con. A lot of actors also use the opportunity to mix with the fans, get to know them personally, have some small talk or a drink at the bar – both sides really enjoy that kind of togetherness!

But not only famous actors, also authors of well-known fantasy novels like to talk at Ring\*Con and read from their books, as well as sign copies. We already had the pleasure to have Wolfgang Hohlbein, Kai Meyer, Bernhard Hennen, Markus Heitz and Tanya Huff with us – all of them were greeted with lots of enthusiasm! Ring\*Con is made by fans! By people who have a passion for fantasy. People

who creates fantastic costumes and live theirs roles. It doesn't matter which kind of fantasy you prefer. It's all about the experience! That's why we would love to welcome you!

**Experience how fantasy becomes alive – every year at Ring\*Con!**
